## Provide an emergency first aid response in an education and care setting

### HLTAID004

*Delivered in partnership with Allens Training Pty Ltd RTO 90909*

### Course Details

This unit describes the skills and knowledge required to provide a first aid response to infants, children and adults.

The unit applies to educators and support staff working within an education and care setting who are required to respond to a first aid emergency, including asthmatic and anaphylactic emergencies.

This unit of competency will contribute towards approved first aid, asthma and anaphylaxis training under the Education and Care Services National Law, and the Education and Care Services National Regulation (2011).

This course is delivered over 7 hours and requires completion of some learning activities **prior** to the course.

### Course Costs

\$185.00 (No concession available)  
Includes: First Aid Workbook  
Statement of Attainment  
(Group rates available for groups of 10 or more.)
