Provide an emergency first aid response in an education and care setting HLTAID004

Delivered in partnership with Allens Training Pty Ltd RTO 90909

This unit describes the skills and knowledge required to provide a first aid response to infants, children and adults.

The unit applies to educators and support staff working within an education and care setting who are required to respond to a first aid emergency, including asthmatic and anaphylactic emergencies.

This unit of competency will contribute towards approved first aid, asthma and anaphylaxis training under the Education and Care Services National Law, and the Education and Care Services National Regulation (2011).

This course is delivered over 7 hours usually in one day.

There are some pre-course study requirements.

Course content includes:

- ◆ All topics in Provide First Aid (HLTAID003)
- ◆ Management of allergies and asthma
- ◆ Requirements for documentation in an education & care setting

Cost: \$185.00 (No concession available)

Includes: Pre-course First Aid Workbook

Statement of Attainment

A USI is required for all First Aid courses.

Group rates are available for groups of 10 or more. Delivered in our training complex in Pioneer Plaza OR we can come to you.
